Qualifications:

- 1. Construction work must be completed.
- 2. The property must have been already approved for a <u>Vacant Agricultural Land</u> Dedication.
- 3. The cost of such improvements is equal to or greater than \$10,000.

Vacant Agricultural Land Improvement Exemption

The claim for exemption, once allowed, shall continue for a period of seven years. The exemption is for any incremental increase in the valuation of the property attributable to qualifying agricultural land improvements.

"Incremental increase in the valuation of real property attributable to qualifying agricultural land improvements" means the sum of all documented expenses incurred to construct the qualifying agricultural land improvements.

"Qualifying agricultural land improvements," means construction, reconstruction or improvement of irrigation systems, drainage systems or roads, soil conservation, fire protection or animal control measures.

Instructions:

- 1. Complete the claim form. If additional space is needed please attach additional pages.
- 2. File the claim on or before September 30th preceding the tax year for which the exemption is claimed.
- 3. Any subsequent improvements must be claimed separately.
